## THE SAN ONOFRE SYNDROME

### — Nuclear Power's Legacy —

A FILM BY

JAMES HEDDLE, MARY BETH BRANGAN & MORGAN PETERSON

## Synopsis

SOS - The San Onofre Syndrome: Nuclear Power's Legacy issues a crucial warning that nuclear power plants' intensely radioactive waste is putting communities at grave risk.

SOS is an urgent call to action. Will we rally to implement this lifeline in time?

## Featured Cast

Naoto Kan, Gregory Jaczko, Donna Gilmore, Daniel Hirsch, Gordon Edwards, Torgen Johnson, Karen Hadden, Rose Gardner, Gary and Laurie Headrick, S. David Freeman, Arnie Gunderson, Deanna Polk, and key whistleblowers.
